OUR PRAYER LIFE

POPE LEO'S PRAYER INTENTION Let us pray for the proper use of wealth, that not succumbing to the temptation of selfishness, it may always be put at the service of the common good and solidarity of those who have less.

Please pray for all who are lonely or housebound; those who are sick, at home or in hospital, all undergoing treatment and all visited by our Eucharistic Ministers.
If you would like to receive Communion at home, please call the Parish Office.

OUR SICK: During all Sunday Masses we pray for our sick, those struggling with life, our dead and anniversaries, and all parishioners are invited to say out people's names.

SHARING RESPONSIBILITY FOR THE PARISH FUTURE

Today's feast of All Saints celebrates all the human lives that collaborate with God' s Spirit at work in the world. **Today's Scriptures** show us the reign of God happening in lives that consent to the Risen Christ being our companion: and sharing with us the blessings promised to those who practice the faith.

Christ and his Spirit accompanying us as we live life is the hope our faith offers the troubled, splintering world of our times. People living holy lives is the way of salvation for our world, and in this Feast we honour all who have gone before us, those proclaimed officially in heaven by the authority of the Church, and those unknown that are known to us …..we give thanks for the holiness in their lives and pray to continue this vocation in living holy lives ourselves.

LIVING HOLINESS IN LIFE

We do not pretend this is perfection, but is partnership with Christ's Spirit shared with us in all that we do. Parish opportunities to grow in holiness of life include:

- FAITH LISTENING GROUPS to learn from each other in day to day living
- SHARING SCRIPTURE looking at Sunday's readings Thursday evenings 7pm
- SOULCARE MEDITATION next Saturday 7th November, 11 til 1 and/or 2 til 3.30 , either or both sessions for silent, simple being present for God.

SHARING IN THE WORK AND THE DISCERNMENT

As I continue to discern how we make the transition our Church is asking for in these times, I am grateful for those helping and invite further collaboration:

Thank You to the Parish Admin Council for a fine meeting, thinking through some of the practical steps for what we do and the resources to keep things going.

Complementing this Council I am now developing "The Discernment Team ": it is clear we are called to implement the "Art of Accompaniment" as the Popes call it; so, continuing from the past discernment sessions, I invite interested people to join this team, meeting next on Friday 13th November at 7.00pm in the Parish House. This team will listen for the Spirit's guidance through a prayerful listening to Scripture and each other…..and the call of God through the Synodal Plan.

KNITTED POPPIES please bring to the Parish House by Tuesday for us to get them ready for next Sunday's display…..thanks for a great response to this appeal!
